Netzach

Anon

Green swirls down around me like northern lights
Intensly cooling
Sparkling with ideas
Twinkling with pictures

Healing the scratchy and spikey-sharp pains
Cooly soothing them
Without karmic concern
No blame in healing

The soft green light asks not why I am sick
"I am nere to heal
Not to curse or punish
But to set life free"

Green becomes the sacred color of life
Red color of blood
Green's polar opposite
Is Yang to green's Yin

Softly, softly misty gentle green mists
Like dancing green lights
Love-cuddle me gently
Heal body and mind
